EXAMINER'S AMENDMENT

Authorization for this examiner's amendment was given in a telephone interview with Richard Goldberg on 12/20/04.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, insert -- first -- before the term "cylinders" in lines 15 and 18.

Cancel claim 4.

In claim 5, delete the term "carry" in line 2 and insert -- carrying -- before the term belt.

The following changes to the drawings have been approved by the examiner and agreed upon by applicant: Figure 1 should be labeled "Prior Art". In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Reasons For Allowance

Claims 1-5 have been allowed.

The following is an examiner's statement of reasons for allowance:

Independent claim 1 recites the structural limitation of a board process unit comprising grasping members mounted respectively relative to the two moving

members by the first cylinders for movement toward and away from the two moving members such that both ends of the carrying belt are adapted to be grasped by the grasping members by moving the cylinders respectively mounted on the two moving members and second cylinders for moving the pushing rollers into engagement with the process board for pushing the process board, in combination with the rest of the recited structure, clearly defines over the prior art.

The unique arrangement of the grasping members holding and moving the carrying belt within this conveyor processing unit, allows for the grasping members to prevent any lag in the carrying belt while the board to be processed is in the processing position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
